

EMRE LOFCA

Computer Engineer | Automation & Analytics

Phone: +90 542 336 37 14 | Email: emrelofca@gmail.com | LinkedIn: linkedin.com/in/e-lofca

ABOUT ME

Experienced Computer Engineer specializing in Automation, Business Analytics, and Data Visualization. I combine my technical background with Canias ERP management to drive operational efficiency through TPM. Additionally, I have built 200+ PC rigs, manage a Raspberry Pi home server for Langflow/ AI apps, and won a slam dunk contest.

EXPERIENCE

Automation Engineer / Business Analyst - YUNSA A.S.

2021 - Present

- Managed product costing on Canias ERP and operational profitability analyses.
- Developed 300+ reports on Tableau for process optimization.
- Optimized MES and ERP integrations.
- Led TPM methodologies and Focused Improvement projects.

Football Referee - Turkish Football Federation

2018 - 2019

- Amateur league football refereeing.

EDUCATION & CERTIFICATES

B.Sc. Computer Engineering - Duzce University (2016-2021)

- Google Data Analytics (2024)
